I. ESTATE RECOVERY

Pursuant to the Omnibus Budget Reconciliation Act (OBRA) of 1993, states are required to recover from an individual's estate the amount of Medicaid benefits paid on the individual's behalf during a period of institutionalization or during a period when an individual is receiving community based services as an alternative to institutionalization.

In compliance with Section 1917 (b) of the Social Security Act, estate recovery will apply to nursing facility long term care services (NF, NF/BI, ICF/ID/DD), home and community based services that are an alternative to long term care facility services and related hospital and prescription drug services.

Recovery will only be made from an estate if there is no surviving spouse, or children under age 21, or children of any age who are blind or disabled.

I certify that I have read and understand the above information.
